Arcadia Blaskapellenfest

Concerts, typical products and flavours of another time

In the suggestive historical centre of Caldes, in the courts and trappings of the noble residences, ancient flavors, genuine products and local artisans will be displayed in a joyous and festive atmosphere together with performances from numerous marching bands in traditional costume.

The event will be organised by the APT Val di Sole in collaboration with the Caldes Council and the association, "Strada della mela e dei sapori delle Valli di Non e di Sole". The accommodation facilities indicated by the special logo offer to their guests that book for this promotion a minimum 2 night stay with the possibility to participate in all the concerts that take place during the two days and a tasting voucher or the purchase of various products in the stands that will be found in the town of Caldes.
